Vivaldi with plinth

Intended for use with the HWAM Vivaldi, one of HWAM's best-selling stoves, we are proud to introduce an elegant plinth that raises the fireplace to eye level. It almost seems as if the wood-burning stove hovers above the ground when this classic is mounted on its new plinth. The plinth is available in both black and grey.

Vivaldi with plinth

Technical specifications

Capacity in kW	2-6 kW
Nominal heat output	4.5 kW
Smoke outlet	Ø 150 mm
Heating capacity (2.4 m ceiling height)	20-120 m ²
Weight	78 kg
Weight with plinth	88 kg
Chimney draught, recommended	12 Pa
Connection from floor with plinth	99.0 cm
Colour options	black or grey

Test results

Flue gas mass flow	5.0 g/s
Flue gas temperature (°C)	270°
CO at 13% O ₂	0.08%
Particle emission at 13% O ₂	34 mg/Nm ³
Efficiency	80%

Options

Top flue outlet
Rear flue outlet
Fresh air system
Soapstone top, top outlet
Soapstone top, back outlet

Approvals

EN 13240 (Europe)
Art. 15a (Austria)
NS 3058/59 (Norway)
Approved acc. to CE norm
Smoke control exemption (UK)

Distance to inflammable materials

1. Back, min.	10 cm
2. Sides, min.	20 cm
3. Distance to furnishing in front, min.	80 cm

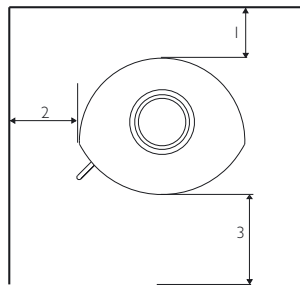

Corner siting

1. To inflammable wall, min.	10 cm
------------------------------	-------

Important! Measures for corner location are only intended as a guide. Please contact your chimney sweeper for final clarification.
